INSPECTION

# A manufacturing partner that *grows with you*

Legacy Threads is a vertically integrated woven garment manufacturer based in Kapashera, Delhi. We serve a diverse range of fashion brands — from emerging DTC labels to established names — across womenswear, menswear, and kidswear.

Everything happens under one roof: cutting, stitching, finishing, pressing, and dispatch. One partner. Full accountability. Zero hand-offs that cost you time or quality.

With over 110 brands served and a seven-stage QC process on every order, we bring the reliability of a large factory with the flexibility and responsiveness of a boutique unit.

## OUR PROMISE

We take a 100-piece order with the same seriousness as a 2,000-piece run. The owner is on the floor — not in a boardroom — which means your brief gets executed exactly as intended, every time.

- MSME (Udyam) & GST registered
- Owner-operated with direct communication
- 110+ brands served across all categories
- OEKO-TEX certified fabrics available
- AQL 2.5 final inspection on every order

01

## AQL 2.5 FINAL INSPECTION

Industry-grade AQL 2.5 inspection on every shipment before it leaves our floor.

02

## OEKO-TEX FABRICS AVAILABLE

Certified fabric sourcing for brands with sustainability requirements or international compliance needs.

03

## FULLY VERTICAL OPERATION

Cutting to dispatch — all in-house. No subcontracting, no quality gaps, no surprises on delivery.

04

## MULTI-CATEGORY EXPERTISE

Womenswear, menswear, and kidswear in woven fabrics — one partner across your entire collection.

# Three categories, one *standard of excellence*

Our expertise spans woven garments across all major apparel segments. Whether you're a women's fashion label, a menswear brand, or a children's clothing line — we have the technical experience and team to deliver consistently.

COMMUNICATION

WhatsApp + email — owner directly responsive

# Where your garments are *made*

---

Kapashera, New Delhi — a fully vertical 60-machine facility with dedicated cutting tables, stitching floor, QC station, and in-house packaging and dispatch. Every stage under one roof, one team.

# Where we *outperform*

---

## SMALL MOQ EXPERTISE

Most factories won't take orders under 500–1,000 pcs per style. We're built for 100-pc runs — giving growing brands access to production quality that was previously only available at industrial scale.

---

## SPEED THAT PROTECTS YOUR CALENDAR

Large factories quote 90–120 day lead times. Our 4–5 week bulk and 5–7 day sampling timelines mean your collection drops when you planned it — not two seasons late.

---

## SEVEN-STAGE QUALITY CONTROL

AQL 2.5 inspection is applied to every single order, with quality checked at seven stages before final dispatch.

---

## DIRECT OWNER COMMUNICATION

You speak with the person who is on the factory floor — not a sales intermediary. Every order receives owner-level attention from sample sign-off to final dispatch.

---

## CROSS-CATEGORY CAPABILITY

Women's, men's, and kids' woven garments — all under one roof. As your brand expands across categories, you don't need to find a new manufacturing partner.

---

# We power brands *you know*

Over 110 brands have trusted Legacy Threads with their production — from early-stage DTC labels to established names across India. A selection of who we've worked with.

*Brand logos displayed with permission. Legacy Threads maintains strict confidentiality on order details, volumes, and pricing for all clients.*

# Transparent from the *first conversation*

All prices depend on construction complexity, fabric, and order quantity. Exact quotes are provided within 48 hours of receiving a tech pack or reference. No hidden charges.

## BASIC TOPS & SHIRTS

Simple construction, 1–2 panels, minimal detailing

\$1.84–2.24 / €1.69–2.06

## STRUCTURED TOPS, BLOUSES & SHIRTS

Collar work, sleeve detailing, tucks, or smocking

\$2.24–2.86 / €2.07–2.63

## MIDI & MAXI DRESSES

Multi-panel, lining, zip or button placket

\$2.86–3.88 / €2.63–3.57

## MENSWEAR SHIRTS, TROUSERS & SETS

Formal & casual, structured or relaxed fit

\$2.04–3.27 / €1.88–3.01

## KIDSWEAR

Dresses, shirts, sets in lightweight woven fabrics

\$1.53–2.45 / €1.41–2.26

## CO-ORD SETS (2 PIECE)

Matched top + bottom, any category

\$3.27–4.29 / €3.00–3.95

*Indicative CMT prices at 200–500 pcs per style. Sampling: \$31 / €28 per style — includes base pattern, 5 samples in muslin, and 3 fit corrections.*
